Ms. Marie Mason
Nursing Assistant - FCCU
The Cambridge Hospital

Dear Marie:

This is a letter to commend you for your excellent work in the labor & delivery unit on March 29, 1985.

On this day you were asked to help out in labor and delivery because they were very busy. Your assistance with one particular patient, who was in active labor, was greatly appreciated. The care you gave this patient was sensitive and appropriate.

In your care of this patient you frequently reported information to the registered nurse and responded willingly to directions given to you by her.

This is just one example of the excellent patient care you have provided while working at The Cambridge Hospital. I look forward to your continued contributions on the Family-Centered Care Unit.

Sincerely,

Katie Oppenheim RW
