Dear Mr. Healy:

I would appreciate the opportunity for consideration as a Candidate to participate as a Board Member on your "Police Review Advisory Board".

To enclose an Employment resume as consideration for your Board would not be pertinent, since past employment as an Accountant and present self-employment in trying to open a Minority own Beauty Supply Business in Cambridge is not what experience I can bring to the Board. My outside activities best represent a more suitable asset for your Board.

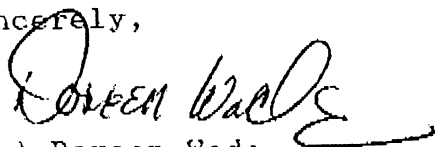

A 30 year resident of Cambridge, I have been involved in social activities throughout Cambridge.

- o Assist in youth development and counseling.
- o Worked with the Cambridge Police Department as an advocate communicating between the Police Department and the Cities Youth.
- o Actively involved in Narcotics information between the Cambridge Police Department and the Communities in West and North Cambridge.
- o Worked with Private and Public High School students as a Student Advocate and Mediator between Students and the School Department.
- o Worked on various Political Campaigns and fund-raisers for the Kennedy's, State Representatives, as well as Governors Dukakus and Weld.

I have a secure communication with young people in most Cambridge Communities and older adults, and have years of strong communication between the color race lines, interacting with all people and all religions.

Thank your for your time and consideration.

Sincerely,

(Ms) Doreen Wade
