Cambridge City Council
Cambridge Mass 02130

Dear Councilmen,

Quite some time ago I
read ⁱⁿ the Beacon News (Aurora IL)
that Cambridge set up a Commission
on Nuclear Disarmament & Peace
Education, & hired a chief. I am
writing to commend you for this
action. I do hope your actions
have a national impact, and
that other cities will follow
your example. I thank you
very much for your efforts.

Sincerely,
Dorothy Brownell
