❖ CITY OF CAMBRIDGE. ❖

In Board of Aldermen, Nov. 26. 1889.

Standing  
The Committee on Roads and Bridges,

to which was referred ~~the petition~~ a communication from the City Engineer in reference to the grade of Banks Street, between Flagg and Sandy Streets, and recommending that the grade of said Banks Street, be established in accordance with the blue line on a profile thereof shown upon an accompanying plan, - Reports,

Recommending the adoption of the accompanying order establishing the grade of Banks Street, between the points before mentioned, in accordance with the accompanying profile thereof, prepared by the City Engineer, and dated Oct 28. 1889. It appears that the grade as proposed to be established by the present order, is very nearly the existing grade of the street, and no outlay will be required for filling.

For the Committee.
