RE: Petition of Boston Edison Company for Authority to Construct, Maintain and Operate Certain Underground Transmission Lines Under the Provisions of Massachusetts General Laws Chapter 164, Section 72 and for a Determination that Locations Upon, Under, Along or Across Certain Boulevards or Reservations in the Care and Control of the Metropolitan District Commission Will Be and are Required by Public Convenience and Necessity for Wires, Cables or Pipes for the Transmission of Electricity Under the Provisions of Massachusetts General Laws Chapter 92, Section 43.

Dear Secretary Cottrell:

Enclosed herewith for filing are nine (9) copies of a Petition by Boston Edison Company pursuant to the provisions of Massachusetts General Laws Chapter 164, Section 72 and the provisions of Massachusetts General Laws Chapter 92, Section 43, together with the \$50 filing fee.

Inasmuch as this Petition concerns the installation of an underground transmission line from Boston Edison Company's Mystic Generating Station in Everett to Kingston Street Substation in Boston which is needed to alleviate critical problems facing Boston Edison Company's transmission system, prompt action by the Department on issuance of an Order of Notice and scheduling of the public hearing is respectfully requested.

Very truly yours,

Mary E. Stanton-Cotter
