Re: Luther Allen-Assistant Hackney Inspector
Commendation to City Council

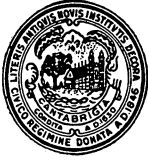

Please be advised that the License Commission has voted 3-0 on December 10, 1996 to have me send to you a request that a letter of commendation from the City Council be issued to Luther Allen.

Mr. Allen, our assistant hackney inspector, has resigned, to retire and be with his family, as of December 13, 1996. Mr. Allen was with our office for 4 years and was integral to the hackney department. He was instrumental to getting all hackney files on computer and organizing each and every paper file. All transfers and financing of medallions were handled by Luther with perfection. Each and every April and October, he organized and assisted in inspecting 248 cabs to comply with all rules and regulations. It was also his duty to conduct the hackney exam given to each and every new cab driver in the city.

Our office will sorely miss Luther for all his persistence and perseverance in getting the job done and for his compassion to all cab drivers and to our staff. We hope that the City Councilors will take the time to recognize all the good work he had done for Cambridge.
