City Hall
CAMBRIDGE, MA 02139

Dear Mr. Healy:

In preparation for the upcoming municipal elections, the Secretary of State Michael J. Connolly is sponsoring a High School Voter Registration Day on May 8, 1985. This day is being declared by Secretary Connolly to encourage high school students to register and vote.

We have sent out a letter to various high schools within the Commonwealth urging them to hold a special voter registration session on this day. I understand that May is a busy period for most Clerks, yet I strongly urge you to cooperate and assist the students on this day.

If you have any questions or comments, please call Janet Johnson at the Public Affairs Division.

Sincerely,
