Dear Mr. Healy:

I have viewed the proposed driveway at 11 Blackstone Street and find that a loading dock has already been constructed and is located 20 feet from the back of the sidewalk. There is presently a 10 foot driveway at this location that is now being used and it does create a problem with some of the larger trucks.

I recommend that the permit to widen this driveway to 20 feet be approved with the condition that whenever a large truck is blocking the sidewalk that adequate provisions be made for the safety of pedestrians.

Very truly yours,
