Tree in Garden St.

Sept. 29. 1848.

To the Honorable the Mayor and
Aldermen of the City of Cambridge.

The undersigned, citizens of Cambridge, respectfully
and earnestly remonstrate against the proposed destruction of
the "Whitefield Elm" on Garden St., near Waterhouse St.

Venerable, valuable, and beautiful in itself, and interesting
from its associations, they believe that no considerations of
public safety or convenience demand its destruction which
are not equally applicable to the "Washington Elm", and to
other venerated trees which have hitherto been carefully
cherished by municipal authority.
