

PETITION TO CAMBRIDGE CITY COUNCIL

WHEREAS: The initiative petition for a "Massachusetts Rent Control Prohibition Act," sponsored by landlords and real estate groups, will eliminate on January 1, 1995 all local laws regulating rents, evictions, condominium conversions and removals; and

WHEREAS: Summary elimination of these housing and tenant protections will put over 200,000 renters in Amherst, Boston, Brookline and Cambridge, especially low and moderate income families and the elderly, in immediate danger of losing their homes; and

WHEREAS: Eliminating these cost-effective programs will overburden already limited local, state and federal housing resources; and

WHEREAS: Local control, or home rule, is an important constitutional safeguard, and each community ought to retain the right to determine and adopt the best solution to local housing shortages;

WE, the **UNDERSIGNED RESIDENTS** of the City of Cambridge, do hereby **OPPOSE** this Act and call upon the Cambridge City Council to proclaim its **OPPOSITION** to this Act and to transmit its Proclamation of Opposition to the Governor of the Commonwealth, to the candidates for Governor, and to our Senators and Representatives in the State Legislature, respectfully requesting that they stand with the people of Cambridge.

PETITION TO CAMBRIDGE CITY COUNCIL

WHEREAS: The initiative petition for a "Massachusetts Rent Control Prohibition Act," sponsored by landlords and real estate groups, will eliminate on January 1, 1995 all local laws regulating rents, evictions, condominium conversions and removals; and

WHEREAS: Summary elimination of these housing and tenant protections will put over 200,000 renters in Amherst, Boston, Brookline and Cambridge, especially low and moderate income families and the elderly, in immediate danger of losing their homes; and

WHEREAS: Eliminating these cost-effective programs will overburden already limited local, state and federal housing resources; and

WHEREAS: Local control, or home rule, is an important constitutional safeguard, and each community ought to retain the right to determine and adopt the best solution to local housing shortages;

WE, the **UNDERSIGNED RESIDENTS** of the City of Cambridge, do hereby **OPPOSE** this Act and call upon the Cambridge City Council to proclaim its **OPPOSITION** to this Act and to transmit its Proclamation of Opposition to the Governor of the Commonwealth, to the candidates for Governor, and to our Senators and Representatives in the State Legislature, respectfully requesting that they stand with the people of Cambridge.

PETITION TO CAMBRIDGE CITY COUNCIL

- WHEREAS: The initiative petition for a "Massachusetts Rent Control Prohibition Act," sponsored by landlords and real estate groups, will eliminate on January 1, 1995 all local laws regulating rents, evictions, condominium conversions and removals; and
- WHEREAS: Summary elimination of these housing and tenant protections will put over 200,000 renters in Amherst, Boston, Brookline and Cambridge, especially low and moderate income families and the elderly, in immediate danger of losing their homes; and
- WHEREAS: Eliminating these cost-effective programs will overburden already limited local, state and federal housing resources; and
- WHEREAS: Local control, or home rule, is an important constitutional safeguard, and each community ought to retain the right to determine and adopt the best solution to local housing shortages;

WE, the **UNDERSIGNED RESIDENTS** of the City of Cambridge, do hereby **OPPOSE** this Act and call upon the Cambridge City Council to proclaim its **OPPOSITION** to this Act and to transmit its Proclamation of Opposition to the Governor of the Commonwealth, to the candidates for Governor, and to our Senators and Representatives in the State Legislature, respectfully requesting that they stand with the people of Cambridge.

PETITION TO CAMBRIDGE CITY COUNCIL

WHEREAS: The initiative petition for a "Massachusetts Rent Control Prohibition Act," sponsored by landlords and real estate groups, will eliminate on January 1, 1995 all local laws regulating rents, evictions, condominium conversions and removals; and

WHEREAS: Summary elimination of these housing and tenant protections will put over 200,000 renters in Amherst, Boston, Brookline and Cambridge, especially low and moderate income families and the elderly, in immediate danger of losing their homes; and

WHEREAS: Eliminating these cost-effective programs will overburden already limited local, state and federal housing resources; and

WHEREAS: Local control, or home rule, is an important constitutional safeguard, and each community ought to retain the right to determine and adopt the best solution to local housing shortages;

WE, the **UNDERSIGNED RESIDENTS** of the City of Cambridge, do hereby **OPPOSE** this Act and call upon the Cambridge City Council to proclaim its **OPPOSITION** to this Act and to transmit its Proclamation of Opposition to the Governor of the Commonwealth, to the candidates for Governor, and to our Senators and Representatives in the State Legislature, respectfully requesting that they stand with the people of Cambridge.

PETITION TO CAMBRIDGE CITY COUNCIL

- 82150
- WHEREAS: The initiative petition for a "Massachusetts Rent Control Prohibition Act," sponsored by landlords and real estate groups, will eliminate on January 1, 1995 all local laws regulating rents, evictions, condominium conversions and removals; and
- WHEREAS: Summary elimination of these housing and tenant protections will put over 200,000 renters in Amherst, Boston, Brookline and Cambridge, especially low and moderate income families and the elderly, in immediate danger of losing their homes; and
- WHEREAS: Eliminating these cost-effective programs will overburden already limited local, state and federal housing resources; and
- WHEREAS: Local control, or home rule, is an important constitutional safeguard, and each community ought to retain the right to determine and adopt the best solution to local housing shortages;

WE, the **UNDERSIGNED RESIDENTS** of the City of Cambridge, do hereby **OPPOSE** this Act and call upon the Cambridge City Council to proclaim its **OPPOSITION** to this Act and to transmit its Proclamation of Opposition to the Governor of the Commonwealth, to the candidates for Governor, and to our Senators and Representatives in the State Legislature, respectfully requesting that they stand with the people of Cambridge.

PETITION TO CAMBRIDGE CITY COUNCIL

- WHEREAS: The initiative petition for a "Massachusetts Rent Control Prohibition Act," sponsored by landlords and real estate groups, will eliminate on January 1, 1995 all local laws regulating rents, evictions, condominium conversions and removals; and
- WHEREAS: Summary elimination of these housing and tenant protections will put over 200,000 renters in Amherst, Boston, Brookline and Cambridge, especially low and moderate income families and the elderly, in immediate danger of losing their homes; and
- WHEREAS: Eliminating these cost-effective programs will overburden already limited local, state and federal housing resources; and
- WHEREAS: Local control, or home rule, is an important constitutional safeguard, and each community ought to retain the right to determine and adopt the best solution to local housing shortages;

WE, the **UNDERSIGNED RESIDENTS** of the City of Cambridge, do hereby **OPPOSE** this Act and call upon the Cambridge City Council to proclaim its **OPPOSITION** to this Act and to transmit its Proclamation of Opposition to the Governor of the Commonwealth, to the candidates for Governor, and to our Senators and Representatives in the State Legislature, respectfully requesting that they stand with the people of Cambridge.

PETITION TO CAMBRIDGE CITY COUNCIL

WHEREAS: The initiative petition for a "Massachusetts Rent Control Prohibition Act," sponsored by landlords and real estate groups, will eliminate on January 1, 1995 all local laws regulating rents, evictions, condominium conversions and removals; and

WHEREAS: Summary elimination of these housing and tenant protections will put over 200,000 renters in Amherst, Boston, Brookline and Cambridge, especially low and moderate income families and the elderly, in immediate danger of losing their homes; and

WHEREAS: Eliminating these cost-effective programs will overburden already limited local, state and federal housing resources; and

WHEREAS: Local control, or home rule, is an important constitutional safeguard, and each community ought to retain the right to determine and adopt the best solution to local housing shortages;

WE, the **UNDERSIGNED RESIDENTS** of the City of Cambridge, do hereby **OPPOSE** this Act and call upon the Cambridge City Council to proclaim its **OPPOSITION** to this Act and to transmit its Proclamation of Opposition to the Governor of the Commonwealth, to the candidates for Governor, and to our Senators and Representatives in the State Legislature, respectfully requesting that they stand with the people of Cambridge.

PETITION TO CAMBRIDGE CITY COUNCIL

- WHEREAS: The initiative petition for a "Massachusetts Rent Control Prohibition Act," sponsored by landlords and real estate groups, will eliminate on January 1, 1995 all local laws regulating rents, evictions, condominium conversions and removals; and
- WHEREAS: Summary elimination of these housing and tenant protections will put over 200,000 renters in Amherst, Boston, Brookline and Cambridge, especially low and moderate income families and the elderly, in immediate danger of losing their homes; and
- WHEREAS: Eliminating these cost-effective programs will overburden already limited local, state and federal housing resources; and
- WHEREAS: Local control, or home rule, is an important constitutional safeguard, and each community ought to retain the right to determine and adopt the best solution to local housing shortages;

WE, the **UNDERSIGNED RESIDENTS** of the City of Cambridge, do hereby **OPPOSE** this Act and call upon the Cambridge City Council to proclaim its **OPPOSITION** to this Act and to transmit its Proclamation of Opposition to the Governor of the Commonwealth, to the candidates for Governor, and to our Senators and Representatives in the State Legislature, respectfully requesting that they stand with the people of Cambridge.

PETITION TO CAMBRIDGE CITY COUNCIL

- WHEREAS: The initiative petition for a "Massachusetts Rent Control Prohibition Act," sponsored by landlords and real estate groups, will eliminate on January 1, 1995 all local laws regulating rents, evictions, condominium conversions and removals; and
- WHEREAS: Summary elimination of these housing and tenant protections will put over 200,000 renters in Amherst, Boston, Brookline and Cambridge, especially low and moderate income families and the elderly, in immediate danger of losing their homes; and
- WHEREAS: Eliminating these cost-effective programs will overburden already limited local, state and federal housing resources; and
- WHEREAS: Local control, or home rule, is an important constitutional safeguard, and each community ought to retain the right to determine and adopt the best solution to local housing shortages;

WE, the UNDERSIGNED RESIDENTS of the City of Cambridge, do hereby **OPPOSE** this Act and call upon the Cambridge City Council to proclaim its **OPPOSITION** to this Act and to transmit its Proclamation of Opposition to the Governor of the Commonwealth, to the candidates for Governor, and to our Senators and Representatives in the State Legislature, respectfully requesting that they stand with the people of Cambridge.

CAMBRIDGE TENANTS UNION

October 13, 1994

Cambridge City Council
City Hall
795 Massachusetts Avenue
Cambridge, MA 02139

To the Honorable; the City Council:

We write to support an order opposing Question 9 which we understand will come before the council on Monday, October 17, 1994, or at a subsequent meeting.

We cannot overstate the threat that Question 9 poses to Cambridge tenants, to rent control, to affordable housing, to local control of a housing policy appropriate for our city, and to home rule for cities and towns generally. It is an irresponsible, unworkable measure, promoted by narrow, commercial real estate interests for financial gain.

We strongly urge all members of the City Council to support the order opposing enactment of Question 9.

We would also like the City Council to know that when this order comes before the council, members of CTU would appreciate an opportunity to present petitions to the City Council signed by Cambridge residents stating their opposition to a "Massachusetts Rent Control Prohibition Act", the binding initiative for a law, which will appear on our November ballots as Question 9.

We thank you for considering this request.

Sincerely,

(for) Cambridge Tenants Union
(William S. Noble)
