To the Honorable, the City Council:

The attached appropriation transfer of \$4,800.00 in Assessing is to cover the increased costs of the revaluation project. These costs were brought about as a result of a decision early in the fiscal year to hire a consultant to organize the data collection and because of the additional supplies and equipment repair that is part of this project's cost. The funds for this transfer are available as a result of outages in the division.

Passage of the enclosed order is recommended.

Very truly yours,

James L. Sullivan
City Manager
