CITY OF CAMBRIDGE • EXECUTIVE DEPARTMENT

Robert W. Healy, City Manager

Richard C. Rossi, Deputy City Manager

May 15, 2000

To The Honorable, The City Council:

With reference to the requests made by the Finance Committee during the course of hearings regarding the FY01 Budget, I hereby report the following:

In response to the order, which requests the funding of the position to support the Oral History Project, please be advised that I have increased the Historical Commission Budget by \$56,070 (Salary & Wages Account \$44,870 and Other Ordinary Maintenance \$11,200).

In response to the request related to the merger of the Fletcher and Maynard Schools, I have increased the School Department Public Investment Account by \$1,100,000 for short-term renovations and technology for the new merged school. School improvements will include implementation of recommendations from the architectural feasibility study to prepare the Maynard School building for September 2000 as well as additional items as identified by the School Department Administration. Funds are also included for technology improvements for the school in year two.

In response to the request for a list of management and supervisory employees in the Public Works Department who attended sensitivity management training programs, please find attached a response received from Commission of Public Works Ralph E. Dunphy.

Very truly yours,
