Reference

Cambridge has been distinctly honored in that, with Boston, it has been selected as the site for the International Water Conference in June 1974, at which over 6000 members will be in attendance.

As the Superintendent of Water in Cambridge, I have been named General Chairman of the conference which will be held over a period of 6 days; and Professor Carrell Morris, Chairman of the Water Board, has been appointed Chairman of the Host Committee.

It is important that both of us be in attendance at the National Conference in Nevada the second week of May 1973, to be in attendance at meetings necessary to plan the 74 conference.

I respectfully request that a transfer of \$1,000 from the F-4 account be transferred to B-44 so that the sum of \$500 will be available so that we both might attend this year's conference.

Very truly yours,

William H. McGinness  
Superintendent, Water Department
