MAY 1998

We, the undersigned, believe that the businesses located at 1607, 1609, 1611, and 1613 Mass. Ave. in Cambridge are an important asset to the neighborhood. Those businesses, Looks, Crimson Cleaners, Central Barbershop and Three Aces Pizza provide services to both the Agassiz and Harvard communities, and they should not be driven out of the neighborhood by rent increases they cannot afford. We urge Harvard Planning and Real Estate to review the current lease proposals, and work with the owners to create rents within the means of these establishments.

We, the undersigned, believe that the businesses located at 1607, 1609, 1611, and 1613 Mass. Ave. in Cambridge are an important asset to the neighborhood. Those businesses, Looks, Crimson Cleaners, Central Barbershop and Three Aces Pizza provide services to both the Agassiz and Harvard communities, and they should not be driven out of the neighborhood by rent increases they cannot afford. We urge Harvard Planning and Real Estate to review the current lease proposals, and work with the owners to create rents within the means of these establishments.

MAY 1998

We, the undersigned, believe that the businesses located at 1607, 1609, 1611, and 1613 Mass. Ave. in Cambridge are an important asset to the neighborhood. Those businesses, Looks, Crimson Cleaners, Central Barbershop and Three Aces Pizza provide services to both the Agassiz and Harvard communities, and they should not be driven out of the neighborhood by rent increases they cannot afford. We urge Harvard Planning and Real Estate to review the current lease proposals, and work with the owners to create rents within the means of these establishments.

We, the undersigned, believe that the businesses located at 1607, 1609, 1611, and 1613 Mass. Ave. in Cambridge are an important asset to the neighborhood. Those businesses, Looks, Crimson Cleaners, Central Barbershop and Three Aces Pizza provide services to both the Agassiz and Harvard communities, and they should not be driven out of the neighborhood by rent increases they cannot afford. We urge Harvard Planning and Real Estate to review the current lease proposals, and work with the owners to create rents within the means of these establishments.

We, the undersigned, believe that the businesses located at 1607, 1609, 1611, and 1613 Mass. Ave. in Cambridge are an important asset to the neighborhood. Those businesses, Looks, Crimson Cleaners, Central Barbershop and Three Aces Pizza provide services to both the Agassiz and Harvard communities, and they should not be driven out of the neighborhood by rent increases they cannot afford. We urge Harvard Planning and Real Estate to review the current lease proposals, and work with the owners to create rents within the means of these establishments.

We, the undersigned, believe that the businesses located at 1607, 1609, 1611, and 1613 Mass. Ave. in Cambridge are an important asset to the neighborhood. Those businesses, Looks, Crimson Cleaners, Central Barbershop and Three Aces Pizza provide services to both the Agassiz and Harvard communities, and they should not be driven out of the neighborhood by rent increases they cannot afford. We urge Harvard Planning and Real Estate to review the current lease proposals, and work with the owners to create rents within the means of these establishments.

Margaret Drury, City Clerk
Cambridge City Hall
Cambridge, MA 02139

Dear Ms. Drury:

This letter is an addendum to the one from Adrian Bishko regarding *Central Barbershop, Crimson Cleaners, Three Aces Pizza and Looks* request for time on the City Council agenda June 8. Attached you will find petitions signed by 1,557 supporters of these businesses requesting Harvard review the current lease proposals and negotiate affordable rents that will allow the businesses to remain at 1607-1613 Mass. Ave. in the Agassiz neighborhood.

We hope the City Council will join in this request. These businesses have served both the Harvard Law School and Agassiz communities over the years, and, as the petitions show, hundreds of residents and students appreciate their services and would like to see them stay.

These businesses have not only provided important neighborhood services to the communities, they have also provided a street life in the evening that keeps the entire block trafficked by pedestrians and therefore safer for us all. If retail were lost on that block, services and pedestrian traffic would also be lost.

When the building that houses these businesses was purchased by Harvard almost ten years ago, the ANC stressed to Harvard the need to keep the "low-scale commercial character" of the street on that block. It remains an important issue today. Harvard has acknowledged its commitment to work with the neighborhood when planning the property's development so issues like these can be resolved in the best interest of Harvard and the neighborhood. Until then, these tenants should be given every consideration by Harvard.

Thank you for your attention to this matter.

Sincerely,

Terry DeLancey, Executive Director
