Dear Sirs:

Your recent decision to make Cambridge a
Sanctuary city for Central American refugees
fills me with pride. Also, I am worried.
It is only since all the publicity that I have
learned that 13,045 applications for political
asylum by Salvadorans have been rejected, and
only a few hundred approved. * How can this
be going on! How can it be almost a secret?!

Please, if there is more you can do, don't
wait. Also, please send me a copy of the
news release, resolution, or relevant document.

Sincerely,
Michael A Connolly
