With Special Thanks

Dear Mayor Gallaggio & City Council;
On behalf of the Cremens Family
we would like to "~~thank~~" the Cambridge
City Council for the dedication of the
Joseph D. Cremens Square located at
Raymond St. & Upland Road.

We will always be grateful to the
City of Cambridge for this special
tribute, and how much it has
touched our lives.

With special thanks and
warm appreciation.

Sincerely,

The Cremens
Family

Your thoughtfulness has a way
of touching lives...
of making days a little brighter,
hearts a little happier,
and problems seem
a whole lot smaller.
It's people like you who
make the difference in this world.
And though you may not
hear it often,
you are appreciated very much.
Your kindness will never be forgotten.

Thank you,
Kay Cremens
&
Family
