To the Honorable,

Gentlemen;

The Board of Park Commissioners have received an order relative to providing community dancing in the public schools, for the benefit of children, and regret that they are unable to comply with this request, in view of the inadequate appropriation made for recreation in the 1936 budget.

The Board also received a second order relative to oiling Cambridge and John J. Ahern Fields, to keep the dust from blowing over the neighborhood, and would state that already, both fields have been oiled, and a request submitted to His Honor, the Mayor, to provided an additional appropriation that a second application may be given.

Very truly yours,

*J. C. Manning*  
Clerk of the Board.
