Report of a Committee
Oct. 3. 1866

To the Honorable the Mayor & Aldermen
of the City of Cambridge.

The undersigned,
owners of real estate on and near Willow
Street in that part of Cambridge called
Cambridgeport, in Ward Four, would respectfully
represent that said street has been called
Willow Street for more than fifteen years,
and that those living in that vicinity
have become attached to the name and
desire that nothing should be done by
the authorities of the City which may lead
to the expediency of changing the name
to some other. And as they have learned
that a petition is pending before your
Board to have a certain street in another
part of the city accepted and laid out
by the name of Willow Street, they
would respectfully request that if the
said street should be accepted and laid out
as prayed for in said petition, that the
name given to it may be some other than
Willow Street, so that there shall not be
two streets of the same name in the city,
and that there shall be no reason hereafter
for changing the name of the street called
Willow Street, in Ward Four.
