MEMORANDUM

TO: Teresa S. Neighbor, Executive Director
Election Commission

FROM: D. Margaret Drury, City Clerk

SUBJECT: Petition of Mikel Pierce

DATE: November 7, 1995

Today I received your memorandum enclosing the petition of Mikel Pierce. In looking at the statutes to determine what action the City Clerk must take, I noted that Section 38 of MGL Chapter 43 requires you to certify what percentage of the registered voters have signed the petition. The percentage as certified has consequences for the future of the petition, and the City Clerk is required to transmit the certification to the City Council along with the petition.

Would you kindly forward to me a memorandum of certification which includes your ascertainment of what percentage of the total registered voters the signers comprise? As soon as I have this certification I will transmit the petition and certification to the City Council.

As always, thank you for your cooperation.

The ten valid signatures is two tenths of one percent (.0002) of the total 41,708 registered voters in the City of Cambridge as of November 6, 1995.

TO Theresa Neighbor;

Here are The Three, replacement signatures for the original document letter you said lacked voter eligibility

ELECTION & REGISTRATION

Cover letter to the members of Cambridge City Councillors;

This signature endorsed letter is only being presented in this rough form now so that I may have time to consider your vote to include this option to the voters in November on the ballot. Should you vote no - I will be canvassing signatures on the Inter-net to show you there are "enough" voters to want a change in what CCA/slate voting happens to entail and will endorse my plan to vote all of you out. I will come back with ten-thousand endorsers to do that. The message is either you will address the concerns of changing the way you do business - or business will replace all of you.
