Acting Assistant City

TO: Robert W. Healy, City Manager

FROM: ^{BR} Beth Rubenstein, Acting Assistant City Manager for Community Development

DATE: March 17, 1999

RE: Council Order #029, dated 3/1/99: Report on when the published zoning ordinance will be updated and available to the public

The updating of the Zoning Ordinance has been scheduled to be completed at the end of November 1999 and will then be delivered to the City Clerk for publication. We expect the new edition to be available to the public by the end of December 1999.

The updating involves a page by page review and edit to ensure that all of the zoning changes which have been enacted by City Council are reflected throughout the Ordinance in all affected sections.

The Community Development Department will be responsible for editing the Ordinance and making text revisions. The City Clerk's office will be responsible for the printing and distribution to the public. In the meantime, the Clerk's office will continue to keep a record of all revisions to the Ordinance as they are adopted by the City Council and will continue to make the new text available to the public. In addition, amendments will be made as necessary to the Table of Dimensions.
