Dear Editor:

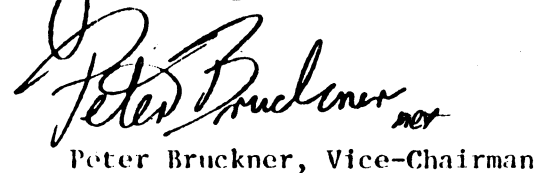

At a recent meeting of the Ward 5 Democratic Committee, by a majority of those present and voting, the Committee adopted a resolution supporting the City Council's plans to take the property know as Craigie Arms by eminent domain for the purpose of creating low and moderate income housing for Cambridge residents.

The Ward 5 Democratic Committee applauds the Cambridge City Council's sensitivity to the need for decent affordable housing for low and moderate income Cantabrigians in all of the City's neighborhoods. By taking the Craigie Arms, the City can put an end to the turmoil and unrest involving this property and at the same time provide 60 units of low and moderate income housing that are so badly needed in this City.

The Ward 5 Committee stands ready to assist the City in any way it can to achieve this worthy goal.

Very truly yours,
for the Committee,

James Caragianes, Chairman

Peter Bruckner, Vice-Chairman
