

To the Honorable, the Mayor & Council
of the City of Cambridge
Gentlemen

The undersigned residents of ward five
would respectfully represent, that Garden
St above Linnean St in said ward, is now
& has been for a long time in a dangerous &
almost impassible condition, that the
population in the western part of ward
five, has within a few years greatly in-
creased, & that the whole of this travel
either by foot or with vehicles, on
account of the danger of Garden St,
is trespassing upon lands of private in-
dividuals, destroying fences & rendering
the lands useless for cultivation. — Your
petitioners would therefore earnestly call
the attention of the city government to
this street —
