WHEREAS: The City's seniors, youth center participants and kids engaged in after-school activities have significant transportation needs; and

WHEREAS: It has been suggested that a limited fleet of 20 passenger minibuses could be used to create a very convenient shuttle service for this population; and

WHEREAS: A detailed study and report on the possibility of establishing such a shuttle service would assist immeasurably in the consideration of this matter; and

WHEREAS: Various hotel chains, namely Hyatt and Marriott, run shuttle services for hotel guests going to various locations, providing timely drop off and pick-up services; and

WHEREAS: Perhaps these hospitality industry programs could be reviewed; and

WHEREAS: In producing a study and report, the citywide ridership, for the time being, should be assumed to be the number of seniors using the senior centers and the ridership for youth should replace the known teen center census, etc; and

WHEREAS: It may be determined that an independent consultant could render this information the most quickly; now therefore be it

ORDERED: That the City Manager be and hereby is requested to provide a shuttle service study for the City Council which indicates how a limited fleet of twenty passenger minibuses could be used to create a very convenient shuttle bus service for the City's seniors, youth center participants and perhaps various after school activities.
