To whom it may concern:

I would like to express enthusiastic support of the continuation of closing Memorial Drive on Sundays throughout the summer. The trial program has made walking by the river a real pleasure for the community; I know many people who look forward to this time all week as one when they can relax within the city, get to know their neighbors, and enjoy a slower pace.

In a time when our city is being challenged by severe problems and seems to be in danger of losing whatever unity it has, I believe that such a gesture on the part of city officials is invaluable, and can set the tone for a happier, more productive summer for all of us. I thank you for the Sundays I've enjoyed to date, and truly hope that you can continue to open Memorial Drive for recreation throughout the summer.

Sincerely,

Catherine Cumpston
