The Police, Public Works and Traffic Departments of the City of Cambridge have announced that their street cleaning program which was so successful during the month of April will be continued through the month of May.

They have also stated that the cooperation received from the residents of the City has been tremendous and if it were not for their cooperation, the program would have failed. The street cleaning program did have its problems at the beginning but it is our opinion that all of these problems have been resolved and our next street cleaning program will be a lot easier to implement.

The "Street Cleaning Schedule" for the month of May will be advertised in the local newspapers and again I would like to stress the importance of cooperation from the residents of the City in order to keep our streets clean.

If there are any questions concerning this program, please call the Traffic and Parking Department, Telephone No. 876-6800, Ext. 314.

Very truly yours,

George Teso
Traffic Director
