My dear Colonel,-

I have been asked to use my "influence" in favor of the appointment of Mr Jones. I dislike to do anything like this, as you know. I am just disposed at first, but finally I feel that I would simply tell you that I had been asked to speak to you about Jones. I know you will enough to understand that my speaking to you - my "influence" will make a particle of difference. as you will do as you think best. I send also the paper.

Very sincerely yours -

Thorndike Spalding.

Hon. William A. Bancroft.
Mayor City of Cambridge
Dear Sir, - I hereby make application for the position of Call District Chief of the Fire Department made vacant by the resignation of District Chief Charles N. Bracketto.

I was appointed a member of the Fire Department in April, 1872, by the late Hon. H. A. Houghton, and have been a member ever since with the exception of about eight months in 1873, when, on account of sickness and a reduction of the force, I was dropped, and was re-appointed in 1873 by

ey = Mayor Isaac Bradford. I remained in continuous service as stoker and hoseman until Engine six was commissioned, when I was appointed Lieutenant, and on July 1, 1895, I was appointed Captain. All this service has been given as a member of Engine No. 1. — over twenty-four years.

I was born in Cambridge, March 23, 1851, and am between 45 and 46 years of age.

I have also served the city as Clerk and Warden of Precincts 3 and 5 of Ward 4 for several years.

Respectfully,
John L. Jones, Jr.
Captain Engine No. 1
