In City Council

June 7, 1932.

WHEREAS:

An order has been introduced taking notice of the resignation of Frank F. Rogers as a member of the Board of Hospital Trustees, it is the desire of the City Council that official notice be taken of the same.

Frank F. Rogers served the City as a Hospital Trustee for twelve years and served the City well. He could hardly have done otherwise, when everything was considered, for the success he attained in his private business augured well for the City when he consented to serve as a Trustee. He proved his worth during his incumbency on the Board, was easy of approach, kind, companionable and gentle - yet always ready and dependable when good judgment was needed in the administration of affairs at the Hospital.

It is therefore

RESOLVED:

That the City Council hereby expresses its appreciation of the service rendered by Frank F. Rogers as a member of the Board of Hospital Trustees and regrets exceedingly the necessity which compels his resignation. Mindful of the merits which adorn his character, commending him to our respect and esteem, we offer this tribute by spreading the same upon the records of the City Council.
