

CAMBRIDGE PUBLIC SCHOOLS
Office of the Superintendent

Bobbie D'Alessandro
Superintendent of Schools

October 30, 2000

TO THE HONORABLE MEMBERS OF THE CITY COUNCIL:

It is my understanding that Councilors Braude, Born and others will bring forward an order this evening, requesting that members of the School Committee and my administration meet with the City Council at or before your next special meeting of the site of the library.

We understand that this important decision will be made by the City Council. We emphasize: whatever decision is made, we will continue to work with the library administration and staff on student usage and programs.

I am writing to say that my staff and I look forward to meeting with you to answer any questions that you may have about the new library's impact on, and relationship with, Cambridge Rindge and Latin School. I will plan to bring CRLS Principal, Paula Evans; our Director of Safety and Security, John Silva; and Joan Stern, the Director of Media Services. Please let me know if there are other individuals whose presence you would find useful.

Thank you. We look forward to meeting with you.

Respectfully,

Bobbie D'Alessandro
