Cambridge, Massachusetts 02139

Dear Mr. Sullivan:

I am writing to express my full support and admiration for the NYPUM program operated by the Cambridge Youth Resources Bureau under the direction of Ed Kelley.

As juvenile justice specialist for the National Board of YMCAs I have had an opportunity to observe a large number of NYPUM and other youth programs across the country. I can say without any reservation that the Cambridge program is one of the very finest in operation anywhere.

The professionalism of Mr. Kelley and his staff and the substantial corps of volunteer leaders they have recruited is such that the Northeast Region YMCA office has designated their program an exemplary model. From throughout the New England area we refer persons interested in starting NYPUM programs to the Cambridge program as an example of how the NYPUM program should be operated. I believe the City of Cambridge should take great pride in this program and the outstanding service it is providing to the youth of your community.

Sincerely,

Richard L. Doughty
