To The Honorable, The City Council:

In response to Awaiting Report Item No. 43, regarding a report on whether the handguns used by the Police Department present a safety problem, Police Commissioner Ronnie Watson:

The handguns currently used by the Police Department (SigSauer P228 9mm) do not present any safety problems. The Department's firearms instructors are certified and the firearms training provided to all personnel was revised and updated last year.

The correspondence from Mr. John Veit regarding a point and shoot index finger rest is simply a marketing promotion.

Very truly yours,

Robert W. Healy
City Manager
