

Dear friends,

June 15

Last week I read that some of you passed a new law. In fact a law which makes it a crime to be a good samaritan in following Christ's teachings of service to others. I'm referring to the five dollar fine for giving a ride to a hitch hiker. I suppose you have your reasons for doing such, but I think you're wrong and disagree with the law. Not much I can do but I feel my thoughts are worth five sentences and an eight cent stamp.

Respectfully,

Roger A. Cunard
