

Since the Rindge Shelter was designed with the intention to be used as a recreational facility for the residents of the North Cambridge neighborhood; we, the undersigned, petition the Recreation Department of the City of Cambridge to repair the said facility by correcting the deficiencies in the building that make it unsafe for the use intended, viz:

- 1) major leaks in the roof and faulty wiring consistute an extreme fire hazard
- 2) incomplete renovations to correct lead paint make the building unsafe for children.

3) Insufficient heating in building.
