Re:- The Late Bill "Doc" Linskey

Attention:- Paul E. Healy
City Clerk

Dear Mr. Healy,

I would appreciate your expressing my sincere gratitude to the Cambridge City Council for the Resolution forwarded to me which was a glowing tribute in my beloved Bill's memory. It will linger forever in my memory.

I am very proud to know that he was admired and loved by so many because he loved every one! I have been fortunate that the good Lord permitted me to share his life for so many years.

The Linskey family joins me in thanking the Cambridge City Council for this honor. With best wishes, I am,

Sincerely yours,
Emma M. Linskey
