Kenneth T. Pitts, Public Safety Computer Systems Manager

Pat Macher, Administrative Assistant

Memorandum

To: City Manager, City Councilors, and Department Heads
From: George Fosque, Emergency Communications and 911 Director
Re: Press Announcement for Enhanced 911 Telephone Service
Date: 11/27/96

You are cordially invited to a press conference and luncheon at the city's new Emergency Communications Center on Wednesday, December 18 from 11:30 AM until 1:00 PM. The city's new Enhanced 911 telephone service will be announced and explained. In addition, tours of the new Center will be provided.

The Mayor, City Manager, Police Commissioner and other persons will be making statements. A short, explanatory videotape will be shown. After the announcement, this Department will be conducting a public education campaign on the proper use of 911 using cable TV, newspaper ads, school presentations, community meetings, and other approaches. Your ideas and assistance in this campaign are much appreciated.

We have arranged for parking in Harvard's "Broadway Garage" located one block from the ECC on Broadway across from the Broadway Market. Parking on the site of the ECC is extremely limited; use of the Broadway Garage is highly recommended for a reasonable number of vehicles.

Please RSVP to Pat Macher at 349-6911 as space is limited and lunches need to be ordered by the sponsoring State 911 agency.

Communication was received ^{S-624}
from George Fosque, Emergency
Communications and 911 Director
relative to a press announcement
for Enhanced 911 Telephone Service.
