

**NOTICE OF A PUBLIC MEETING
TO BE HELD FOR THE
W.R. GRACE & CO.-CONN. SITE AT ALEWIFE
RTNs 3-17014 AND 3-0277**

A public meeting will be held by W.R. Grace & Co.-Conn. to present the results of the Evaluation for Asbestos in Soil conducted at the Grace site in December 1998, which includes an Imminent Hazard Evaluation based on the results of this program, an approach to Risk Characterization for RTN 3-17014, and a conceptual Airborne Asbestos Management and Monitoring Plan for the Grace site. Grace will also present its Phase II work plan which will address collection of groundwater, surface water, sediment and additional air samples to address the presence of asbestos in these media.

The results of an Evaluation for Extractable and Volatile Petroleum Hydrocarbons in Soil conducted at the site in January 1999 and the Phase III Remedial Action Plan for RTN 3-0277 will also be presented.

Grace will also provide an update on the status of its development plans for the site.

**When: 7:00 p.m.
 Thursday, June 3, 1999**

**Where: Employee Cafeteria
 W.R. Grace & Co.-Conn.
 62 Whittemore Avenue
 Cambridge, MA 02140**

Grace will invite and address public comment at this meeting. Written comments will be accepted for 20 days after the public meeting.
