To the Honorable, the City Council:

In response to Awaiting Report No. 10 regarding socioeconomic information on the kind of people living in rent-controlled units in Cambridge, the Rent Control Board has been working in conjunction with the Community Development Department and the Cambridge Housing Authority to develop a Request For Proposal to contract with a consultant to perform a detailed study outlining the requested information. Representatives of the three agencies will be meeting this week to finalize the Request and it should be advertised within the next two weeks.

Very truly yours,
