To the Honorable, the City Council of the
City of Cambridge:
CAMBRIDGE MA.

The undersigned respectfully pray

that the council will hear the
women's voices who live in the
shelters of Cambridge on the
abuse they receive - emotionally
& physically due to lack of
controlling the element who are
not controlled to refrain from
abuse on other shelter guests
& also that the mayor Alice Stoff
refused to make an appointment with
(on this said day) currently
homeless women living living in
the shelter of Cambridge. This is
unconstitutional & quite bizarre.
Sincerely, Q.B. Parker
