To the Honorable, the City Council:

Attached please find for your review and action an order requesting the appropriation of \$15,600.00 to the Community Development Department Other Ordinary Maintenance account. This appropriation will be funded through taxes.

The purpose of this appropriation will consist of a two-part study by Abt Associates of the characteristics of tenants in rent-controlled units.

Part 1 includes collection and analysis of existing data from a variety of sources and a recommendation of how to proceed, if at all, with a more detailed and reliable study (i.e., a sample survey or statistical analysis).

The necessity and benefit of Part 2 is contingent upon the results and recommendations of Part 1, and an evaluation of Part 1 will be necessary before such a determination can be made.

Community Development Department, Rent Control, and Cambridge Housing Authority representatives met with representatives of Abt Associates on November 18 to discuss the proposal. Part 1 could begin as soon as funds are appropriated and contract documents are complete and will take a maximum of 90 days to complete (early March).

Passage of this order is recommended.

Very truly yours,

Robert W. Healy
City Manager
