

Cambridge June 12th 1871.

To the Hon

The Mayor and Aldermen

of the City of Cambridge.

The undersigned would respectfully petition your honorable body, that the line of Brattle Street as established by the City Government of last year, may be changed at the corner of the street and Brattle Square, on the land of Welch, Bigelow, & Co to the line recommended by the Committee on Roads and Bridges of your Board, - believing that that line gives all the land necessary for the public good, and that the line now established is a great injury to the above property, and of no benefit whatever to the public -

M. F. Bigelow.
