THE CITY CLERK

Dear Neighborhood Representative:

Enclosed herewith you will find the petition of Dr. & Mrs. Peter Randolph

_____ requesting a driveway at the premises numbered
22 Craigie Street

The City Council has directed that all driveway petitions be submitted to the appropriate Neighborhood Associations where said curb cut would be made for their approval, prior to action by the City Council. Please indicate by return mail your approval or disapproval of said petition within ten days from the receipt of this letter. I have enclosed a self-addressed stamped envelope to facilitate your reply.

Your kind cooperation in this matter will be greatly appreciated by the members of the City Council.

Very truly yours,

Paul E. Healy, City Clerk.

Name of Neighborhood Association: *N. 10 Assoc*

I hereby approve / disapprove said driveway petition.

Reasons: *See attached*

Office of the City Clerk
City Hall
Cambridge, MA 02139

Name of Neighborhood Association: Neighborhood 10
Association

We hereby disapprove said driveway petition.

REASONS: 1. This petition for a curb cut comes after the fact. The curb cut was made during the winter, 1983-4. How is it that this petition is only now being considered?

2. The requested curb cut would be the second for a property whose frontage does not exceed 50 feet in violation of the appropriate zoning ordinance. A variance for this second cut is particularly inappropriate on a street that is already overloaded with resident parking. As a matter of principle, it seems unwise to reduce the available on-street parking when the property already has adequate access to its off-street parking area.
