Subject City Council Order #23 dated 5/13/91 Re: Crosswalk at 85 Bp. Allen Drive

The Traffic and Parking Department has surveyed Bishop Allen Drive from Essex St. to Norfolk St. with a view towards installing mid-block crosswalk at Number 85. It is our opinion that to install a crosswalk at this location where pedestrians have to contend with vehicles entering and leaving the parking lots as well as through traffic would create a safety problem for pedestrians. This block is 300' long with crosswalks located at both Essex St. and Norfolk St. as seen on the enclosed plan. This means that a pedestrian only has to walk 150' to cross at a safer location.
