In City Council

January 24, 1928.

WHEREAS:

In a report submitted December 12, 1927 the Superintendent of Schools recommends a possible addition to the Roberts School building located on Harvard and Windsor Streets, and

WHEREAS:

An addition of any kind to the Roberts School building would necessitate the use of land now dedicated to playground work, and

WHEREAS:

Ward 2 is unfortunately poorer in playground facilities than any ward in the city owing to the activities of industry thereabouts, it is

ORDERED:

That the Board of Park Commissioners be and hereby is requested to consider the advisability of acquiring the property adjoining the Roberts School on Broadway and Boardman Street for playground purposes so that the residents of this district may not be deprived (in the event of an addition to the Roberts School) of the recreation opportunities they now enjoy.
