AMOS BINNEY,
MEMBER REAL ESTATE EXCHANGE,
REAL ESTATE,
ROOM 416, EXCHANGE BUILDING,
53 STATE STREET, BOSTON, MASS.

May 9th, 1896.

To the Honorable Board of Aldermen,

City of Cambridge, Mass.

Represents Amos Binney that as agent for Marie B. Earl and Florence di Camporeale, with a view to development of the property owned by them, he has constructed a private way extending between Willow St., a private way owned by the City of Cambridge, and a public street known as Windsor St. at considerable expense; that where said new way comes to Windsor St. is a curbstone which prevents access to the new street, and that on January 17, 1896 your petitioner presented to the Honorable Board of Aldermen a petition that said curbstone might be cut and circles inserted for the purpose of getting access to this new way; that no action has been had on said petition to the best of his knowledge and belief, and that by reason of such inaction development of this tract of land has been injuriously effected.

Wherefore he prays that speedy consideration may be given to said petition of January 17, 1896.

Very respectfully,

Amos Binney.

The undersigned respectfully pray

To Committee on Roads & Bridges

Sirs,—

Understanding that a petition has been sent to you praying for a brick sidewalk on Leonard St, we the undersigned protest against it

Our reasons for so doing is that both of us being on the corner of Leonard and Cambridge St. we have each of us three times as much

as any one of the petitioners and feel that it is too much expense for one year, after paying for the curbing.

Hoping that this will receive your favorable consideration we remain

Yours Respty.
