SPECIAL OLYMPICS GOLD

Turn unwanted cars and trucks into something very *Special*

Be a part of the movement. Join with the Special Olympics in our drive for the gold.

Give us a call and we'll tow away your unwanted vehicles for free! We'll recycle them into the funds we need to support our year-round program of sports training and competition for individuals with mental retardation.

You'll not only get the satisfaction of contributing to a worthwhile cause, you may also get a great tax deduction.

Cambridge, MA 02139

Dear City Council:

I am writing you on behalf of Recycle for Gold, the Special Olympics Massachusetts fund-raiser, seeking your official endorsement of the program and requesting your help in spreading the word of the program. The program is designed to perform a public service, improve the environment, and raise the necessary funds to help support Special Olympics Massachusetts.

Recycle for Gold removes, free of charge, unwanted cars and trucks and recycles them into valuable funds for Special Olympics. In addition to being eligible for a great tax deduction, the program allows donors to comply with local ordinances in an economic and environmentally friendly manner.

All we ask of you is three things:

- Issue a public endorsement of the program.
- Post the enclosed flyer in the town offices.
- Include a copy of the enclosed bill stuffer in your water and/or property tax bills. I will be sure that you or your designee receives sufficient copies of the enclosed bill stuffer upon request.

Your support of this program is very valuable to us and greatly appreciated. If you have any questions or need any further information, please feel free to give me a call. Thank you again for your support of Special Olympics.

In the Spirit of Special Olympics,

Jonathon Muskrat
