PETITION 2 PM 3:39

CAMBRIDGE MA

We the residents of HOWARD STREET, specifically those of us living between River St. and Western Ave. hereby complain!

Parking along the odd side of our street only has caused us much suffering. We would like to have our street changed from a two way to a one way street. Among the many reasons for this is the fact that there is just no where for the residents to park. We have all purchased residents parking but what good are they? Most of us c mind have relatives or friend et never

A one way street would STREET helping to minimize b problem. We have learned th fire department (which has a no problem with this potenti

CAMBRIDGE MA

We the residents of HOWARD STREET, specifically those of us living between River St. and Western Ave. hereby complain!

Parking along the odd side of our street only has caused us much suffering. We would like to have our street changed from a two way to a one way street. Among the many reasons for this is the fact that there is just no where for the residents to park. We have all purchased residents parking permits and visitors permits, but what good are they? Most of us cannot fit our cars on the street never mind have relatives or friends visit!

A one way street would allow parking along both sides of HOWARD STREET helping to minimize but of course not totally eliminate our problem. We have learned through the office of the chief, that the fire department (which has a station just around the corner) finds no problem with this potential change.

THEREFORE: We the residents of HOWARD STREET petition COMMISSIONER OF TRAFFIC AND PARKING FOR THE CITY OF CAMBRIDGE MR. GEORGE TESO to allow at least on a trial basis, parking along both sides of HOWARD STREET and one way travel from Western Ave. to River St.
