Dear Mayor Galluccio:

Bob Wolf, Peter Martin and I appreciated the time Terry spent with us last Thursday in discussion of the urgent space needs of the Community Learning Center. He has since told me that you are willing to get involved, for which I am very grateful, and I am sure all the Friends and everybody in the Center are as well.

As you know, the City Council has been very supportive of the Center, and on many occasions acknowledged the Center's good work and expressed its commitment to help in any way they could. We now feel that your leadership will make a difference. An initiative from you as Mayor to establish a task force that can spend the time to look into the matter fully and undertake a search and set priorities and deadlines will be a big step in the right direction.

Cordially,

Tom Guillermo
