

April 11, 1977

Cambridge City Officials
Cambridge City Hall
Cambridge, Massachusetts

To Cambridge City Officials;

The Cambridge Red Cross is sponsoring a canoe race on the Charles River this April 24th. We're hoping to institutionalize the event as an annual fundraiser, and are very hopeful that the first race will be a success.

Besides the obvious benefit of helping a community to raise funds as painlessly as possible, the canoe race will have a greater potential. It will focus attention on the Charles as a recreational resource. Like the Head of the Charles Regatta it will hopefully draw diverse segments of the community to the river's banks and provide a festive-like atmosphere.

The Cambridge Red Cross would like to extend an invitation to you to participate in these festivities. We hope you will be able to attend the canoe race, as we see it as an important contribution to our community.

Sincerely,

Sheila Houghton
Board of Directors
Cambridge Red Cross
