IN CITY COUNCIL

September 29, 1992

COUNCILOR MYERS

WHEREAS: Residents who pay careful attention to the happenings on their streets have pointed out the intersection of Pleasant St. and Allston St as a dangerous one, and one where increased involvement on the part of the Traffic Department would have a positive impact on the neighborhood; now therefore be it

RESOLVED: That the City Manager be and hereby is requested to direct the Traffic Department to carefully study this intersection, and to take steps to improve the safety of this intersection, including but not limited to, increased visibility of the Stop signs, completion of painting of the crosswalks, increased safety signage by the neighborhood park; and be it further

RESOLVED: That the City Manager be and hereby is requested to report back to the City Council within three weeks time.

In City Council September 21, 1992.

Adopted by the affirmative vote of nine members.

Sheila T. Russell
City Councillor

September 8, 1992

Dear Huron Tower Resident:

I am happy to inform you that, starting this Saturday, September 12, 1992, Huron Towers will have bus service on week ends. This service came about as the result of a request that I made to Mr. Haley, Chair Person of the MBTA at a meeting last June.

This is a welcome addition to the transportation needs of the residents of the Towers, and hopefully it will be well used. I am enclosing a copy of the letter from the MBTA.

Sincerely,

A handwritten signature in cursive script, reading "Sheila Russell", is written over a diagonal line that extends from the bottom right of the letter body towards the bottom left of the page.
