

City of Cambridge

IN CITY COUNCIL

Ordered:

February 8th, 1921.

Notice having been given and a public hearing held, as provided by law, that the Cambridge Electric Light Company is hereby authorized to erect and maintain poles and support wires thereon for the transmission of electricity in the particular locations stated in the streets hereinafter named, subject to all existing and future ordinances of this City in relation to the location of poles and wires in its streets and ways, and also in reference to the granting of licenses and permits.

The height and dimensions of the poles on the various streets shall be satisfactory to the City Electrician, and the number of cross-arms, with the number of pins for wires on each cross-arm, and the height of the same, shall be as approved by him.

The locations herein named are severally indicated upon plan furnished by said company, dated July 24, 1920. numbered 2050 and filed with the City Clerk.

Poles shall be of hard pine, square at the surface of the ground, and planed and chamfered or round chestnut poles, straight smooth-shaven, free from all blemishes, and painted.

The following are the public ways or parts of ways along which the poles above referred to may be erected and the number of poles which may be erected thereon under this grant.

Pole Location

Line St. - one pole on the southwesterly corner of Cambridge St.,

8 feet northerly from Cambridge St.

REPORT

Journal of

*To the Honorable, the City Council
of the City of Cambridge, Mass.*

Respectfully represents the CAMBRIDGE ELECTRIC LIGHT COMPANY, a corporation duly organized and existing under the laws of the Commonwealth of Massachusetts, that it desires permission to erect poles and attach cross arms and other fixtures thereto and to string wires thereon, to enable it to transmit its electric current along, under, and across the following described public ways in said Cambridge :

Line Street, one pole on the southwesterly corner of Cambridge St.,
33 feet northerly from Cambridge Street.

Wherefore it respectfully petitions your Honorable Board to grant it said location with permission to erect poles and attach cross arms and other fixtures thereto and to string wires thereon in the said public ways, substantially as shown on the plan filed herewith, marked #2050, and dated July 24, 1920.

CAMBRIDGE ELECTRIC LIGHT COMPANY,

By

Walter E. Holmes
