To the Honorable, the City Council:

On March 19, 1987, I met with Chief Thomas Scott of the Fire Department and members of the leadership of Local 30, International Association of Firefighters, to discuss the current staffing levels in the fire department and the union's concerns regarding same. At that meeting, all parties agreed to institute a system for the judicious use of overtime to supplement coverage as needed, pending the hiring and training of a new firefighter class. As a result of this meeting and agreement, I believe there is no need for a City Council hearing on this matter.

Very truly yours,

Robert W. Healy

City Manager
